## City Meeting Passed Resolution Calling For Widening of

Southern Approach to City at Cost of \$45,000-Only Three of the 139 Votes Cast Were Against the Resolution-Franklin Street Improvement to Be Carried as Far as Foot of Grove Street-Meeting Also Provides For Additional Expenses of Health Department-Regrading of Forest Street Voted at Cost Not to Exceed \$1,000.

At a special city meeting in the thing towards the widening of the own hall on Friday night the widenng of Thames street, the southern apwoted at a cost not to exceed \$45,000. In addition the voters of the city authorized the court of common council to provide for the expense of regrading and repairing that part of Forest street between the southeasterly corner of land formerly of Joseph C. Worth and the northerly end of said street; to provide for the expense of widening West Main street between Thames square and High street; to provide for the expense of continuing the new pavement from the northerly end of the pavement for which an appropriation was authorized at the last city meeting, on Franklin street, as far north as Grove street; to provide for the construction and extension of a sewer at Sunnyside in addition to the appropriation authorized for this purpose at the last city meeting; to provide for the additional expenses of the health department necessitated by the treatened epidemic of infantile. health department necessitated by threatened epidemic of infantile

#### Thames Street Resolution.

The first matter to be considered as the Thumes street widening ouncilman Walter F. Lester presented

The ushers at St. Patrick's church compute that on no evining during the men's mission this week has the attendance been below 1,000.

The ushers at St. Patrick's church the following resolution:

That this meeting approves of the widening by and under the direction of the court of common council, of Thames street, between Thames square men's mission this week has the actendance been below 1,000.

In spite of the rain Friday, the men were prompt in attendance at the masses at 5 and 8 in the morning, while as usual the church was well filled at the evening exercises.

At the 5 o'clock mass Father Mathania and at that place to be made on the easterly side, the widening to be such that the layout of said street shall be that the layout of said street shall be not less than 27 feet wide between curbs and six feet for sidewalks on the easterly side of said street and six feet for sidewalks on the westerly side from Thames square to a point just below Page's lane, and for the rest of the way four feet for sidewalk, procuring such land and making such changes as may be necessary for such purpose, at an expense not to exceed \$45,000, to be paid in six approximately equal, successive annual payments, the first payment to be made in 1917, and the court of common council is hereby authorized to appropriate the sum of \$45,000 or such part of same as may be necessary for the above purpose, and the borrowing of said amount for such purpose is hereby in the sum of \$45,000 or such part of same as may be necessary for the above purpose, and the borrowing of said amount for such purpose is hereby

#### ganctioned.

past 26 years been a resident in this country. Thirty-one years ago he was united in marriage with Rosa Loef-fleur in Budapest. Mr. Mikolasi is quite well known in athis city, having been a resident here for the past 24 years. He was in the tailoring business. He was a member of Norwich lodge, No. 430, B. P. O. E., Odd Fellows, Palmyra encampment, I. O. O. F., Order Birth of Abraham and the Knights of Pythias.

Worst Condition in State.

Several attempted to second the resolution, but James C. Macpherson got the floor first. He spoke at length of the widening, which he said would be a great improvement, and one which has long been needed. He said that the expense of the project had been variously estimated at from \$100,000 to properly holders there and that their property holders there and that their purposes and the borrowing of said and the property holders there and that their purposes and the borrowing of said and the property holders there and that their purposes and the borrowing of said and the property holders there and that their purposes and the borrowing of said and the property holders there and that their purposes and the borrowing of said for such purposes and the borrowing of has long been needed. He said that the expense of the project had been variously estimated at from \$100,000 upwards. Mr. Macpherson said that he has been in close touch with the property holders there and that their anxiety for the improvements has a may be necessary for the above property holders there and that their anxiety for the improvements has a mount for such purposes is hereby property holders there and that their anxiety for the improvements has been as great as that of any citizen and that they were willing to quote very low prices on their property. It would be a waste of money to pave the street and not put it into permanent condition, said the speaker. The highway commissioner has said to our mayor that there is not a worse condition on a trunk line throughout the state than that condition on Thames street. The figure is the lowest estimate that anyone has ever been able to place upon it. There has not been in the past 20 years a proposed improvement from which so much good will accrue to the mercantile interests of Norwich than the improvement of Thames street, and I heartly second the resolution.

W. S. Alling Approves. the hearth department of infantile aralysis, in addition to the appropriation authorized at the last city meeting for the regular expenses of the lepartment, and to expend any balances of special appropriations here-tofore made and not needed for the purposes for which the appropriation was made, for other legitimate purposes of the city.

The meeting was called to order at 8 o'clock by His Honor Mayor Allyn L. Brown, and City Clerk Arthur G. aying that he was heartily in favor of

#### 135 For-3 Against.

As the meeting was then ready for the vote, a ballot was taken. The result showed that 139 votes had been One hundred and thirty-six ed the resolution, three were cast. against its passage, and the m declared the resolution adopted. Forest Street Improvement.

The next matter was the Forest treet project. Judge John H. Earnes presented the following resolution: That the sum of one thousand dolars or so much thereof as may be necessary be and the same is hereby appropriated, to be used and expended inder the direction of the street com-nissioner of the city of Norwich, in the proper repairing and grading of orest street in the said city of Nor wich, beginning at a point opposite the southeastriy corner of the land lately owned by Joseph C. Worth to northerly end of the said street, lowering and raising the grade of said street so as to make a good surface for travel over same.

In case the said street commission er shall find it impossible to repair said street before the winter sets in. said street before the winter sets in, be is hereby authorized and empowered to let out said work by contract in order that said work may be done before January 1, 1917. The city of Norwich is hereby authorized to borrow sufficient money, if necessary, to carry out and perform said work on

That this meeting approves of the widening of West Main street, by and under the direction of the court of common council, between Thames Square and High street, at an expense

expense she had been put to. The resolution was then callotted upon and resulted in unanimous adoption. Franklin Street Pavement Continuation The next matter on the call was the

Franklin street pavement continua-tion. The following resolution was presented by Amos A. Browning: That this meeting approves of the plan for continuing the new pavement blan for continuing the new pavement by and under the direction of the court of common council, from the northerly end of the pavement on Franklin street, for which an appropriation was made at the adjourned innual city meeting on June 12, 1916, as far north as Grove street, and at an expense not to exceed \$4,000, and the court of common council is bereby as court of common council is hereby au-thorized to appropriate the sum of \$4,000 or such part of the same as may be necessary for the above pur-pose and the borrowing of sald amount Patrick Bray Sr. said he thought anough money had been expended on the Franklin street improvement, and moved that the resolution be placed on the table. The motion was lost,

Present Condition Unsatisfactory. Charles I. Smith, speaking in favor of the continuation of the pavement, referred to the present condition of the street as very unsatisfactory for the street as very unsatisfactory the many heavy vans that pass over it

That this meeting approves of the building of an outlet sewer from Lau-rel Hill avenue to the Thames river, and a sewer in Laurel Hill avenue from Sunnyside avenue to such outlet sewer, all connecting with sewers to be constructed in Sunnyside and Clay avenues, for which sewers, in Sunnyside and Clay avenues, for which sewers, in Sunnyside and Clay avenues, appropriation was made at the adjourned annual city meeting on June 12, 1916, at a cost not to exceed \$1,500; and the court of common council is hereby authorized to appropriate the sum of \$1,500 or such part of the or such part of the same as may be necessary for the above purposes and the borrowing of said amount for such purpose is hereby sanctioned.

City Engineer Chandler said that no system of sewers exists south of the old school house. An appropriation was made for a sewer on Sunnyside and Clay avenues but there was no provision made for an outlet.

provision made for an outlet. The resolution was unanimously passed. Additional Health Appropriation. Then came the matter of an addiional appropriation for the health de partment. A resolution was offered by Alderman Guy B. Dolbeare as follows:

That the Court of Common Council is authorized to provide for the additional expenses of the health department, in addition to the appropriation authorized at the adjourned annual city meeting, on June 12, 1916, for the regular expresses of said health descriptions. regular expenses of said health department, necessitated by threatened epidemic of infantile paralysis, such additional sum as may be necessary, not to exceed \$650; and the court of common council is hereby authorized appropriate the sum of 3650 or such part of the same as may be necessary for the above purpose and the borrow-ing of said amount for such purpose s hereby sanctioned.

Alderman Dolbeare said the appropriation for the department for the year was \$1,500. The prevention of an infantife paralysis epidemic in this city the last summer, which was due to the efforts of the health department, left only about \$100. The carry the department, left only about \$100. To carry the de-partment over the rest of the year \$650 will be needed. The resolution was then adopted by The only other matter before the

meeting was that authorizing the court of common council to expend any bal-ances of special appropriations heretoposes for which the appropriation was made, for other legitimate purposes of the city. A resolution making this authorization was introduced by Amos A. Browning was adopted on ballot vote.

WILL ENJOY LAUNCH RIDE DOWN RIVER. Y. M. C. A. Juniors to Leave Chelsea

The meeting then adjourned after an

Boat Club at 11,30 This Morning. Members of the junior department of the Y. M. C. A., about 30 in number, will take a launch ride down the Thames in William Baker's boat this Saturday morning. They will leave the Chelsea boathouse about 11,30 and will return late in the afternoon. The gravel, sind and stones necessary.

The ballot was then declared open by the mayor. Forty-five votes were cast of tion and it was declared adopted.

West Main Street Widening.

The West Mait street widening came up next. Amos A. Browning presented and moved that the following resolution be adopted:

That this meeting approved.

William Coluski of Lonsdale, R. I., and his brother, John Coluski, of Pawtucket, and Daniel Lynch, who were in a fight in a Water street sa-loon Thursday night, were before the city court Friday morning.

William Coluski was fined \$15 and

### RESINOL PROVED WONDERFUL FOR ITCHING ECZEMA

Feb. 23 .- "I had a chronic case of czema on my hands for about three years. It got red in places, especially between my fingers, and when I'd rub them a little, pimples or blisters would form which filled with water. The longer I had this trouble, the larger these pimples got. I can't express in words what a terrible thing it was. I couldn't find anything to help me everything seemed to make it worse. I had about given up all hope of ever being cured. They were terribly sore, being cured. They were terribly sore, and I could not sleep for the terrible itching and burning. I learned of Resinol Ointment and Resinol Soap and decided to try them. Well, Resinol really proved to be a wonderderful thing in my case. It relieved at the first application. I used about a cake of Resinol Soap and half a jar of Resinol Ointment and the eczema was all gone. It hasn't returned since. I all gone. It hasn't returned since. I am so glad I tried Resinol Cintment and Resinol Soap, as I do not know how I could have stood that eczema much longer. It is a cheap and sure cure." (Signed) Mrs. H. H. Denbow, Sioux Falls, S. D.
